## 2022 DISTRICT III QUALIFING GUIDELINES

(meeting these guidelines does not guarantee acceptance)
In order to keep this track and field championship a quality meet, the Games Committee has set a maximum number for each event. This is indicated to the left of the guideline in ( ). This number of athletes will compete in the event. If more than the maximum number of entries is received, only the top performers will compete. (Example: Girls AA 100 m Hurdles, 24 competitors are expected. If more meet the qualifying guidelines, the Games Committee will take the top 24 times). If a tie occurs for the last spot, the Games Committee may reduce the size of the field taken under the number shown.
